NEEDS THROUGH ARTS AND CRAFTS

# Welcome to Shalimar UMC

We are so glad you've chosen to worship with us this week! Hearing assistance devices are available for the Sanctuary. Please see an usher to obtain these aids.

Enjoy fellowship, coffee, and snacks in the Family Life Center Gym between worship services.

## Our Vision

Christ-centered, multigenerational, family and community relevant ministries through worship, discipleship, and mission.

## Our Mission

**REACH, TEACH, and SEND**

We **REACH** out to our congregation, community, and the world to **TEACH** the word of God as provided in the Holy Scripture, and **SEND** our members and missionaries to be witnesses to God's grace and His promise of eternal life to us through the death and resurrection of Jesus Christ.

## Worship Services

### Break Free

Our Saturday evening service begins at 6:00 pm in the Family Life Center opening with a gathering and fellowship time at 5:30 pm. This transformational service involves modern music, multimedia, and a style of preaching that is practical and participatory.

### Traditions

At 8:00 and 11:00 am Sunday mornings in the Sanctuary we celebrate through the rich traditions of our faith such as hymns led by organ and piano, seasonal vestments, and traditional Methodist liturgy. Our Chancel Choir leads the 11:00 service.

### Connect

At 9:30 Sunday mornings in the Sanctuary we engage in a four-fold service of gathering praise, service of the Word, Holy Communion with candle stations for prayer, and sending forth. The music is a blend of contemporary praise songs and upbeat hymns.

### Freedom

At 11:07 Sunday mornings in the Family Life Center Gym we worship through modern music, multimedia, and a teaching style message in a non-traditional atmosphere. We come to God as we are to experience the freedom of not having to stay that way.

# Philip's Focus

## Six Priorities Identified By Our Staff

We have a great staff! Our staff spent a day together prior to our Fall Season and identified six areas that we will focus on the next year. Each week we spend some time at staff meeting keeping these priorities in front of us as we plan. Our goal is to seek progress with each of the priorities until they become realities. We will need the partnership with our congregation and lay leadership as we move forward. What are the six priorities identified?

First, we seek to grow in **COMMUNICATIONS**. Effective communication is crucial! What worked for a church 10 years ago is no longer effective with communications. We seek a church website that promotes the best we offer as a church and is huge for reaching first time visitors. (Most people visit websites before they actually visit a church.) As a result, we are moving forward with a strategy to make the website relevant with today and promote the best of Shalimar! Progress is being made and can be seen at [www.Shalimar-umc.org](http://www.Shalimar-umc.org).

Second, we seek to grow a **DISCIPLESHIP CULTURE** in our church. There is nothing that prepares a church for the future more than making disciples now. We already have identified small group studies through the Summer of 2018. In addition, new teams will emerge out of 12x12 and a new 12x12 team is forming soon. We are also seeking around 40 people in our congregation to pray and fast together leading up to Thanksgiving. Plans are also under way to spend the first 21 days of 2018 with a daily 6 AM worship and prayer service. This priority is on the move.

Third, we seek to develop a culture for expanding **VOLUNTEERISM** in the church. People are our greatest resources. We seek to build and expand on the wonderful volunteer base currently at Shalimar. We have wonderful volunteers! We seek a more strategic plan for developing a culture of volunteers.

Fourth, we are seeking to bolster up the **HOSPITALITY** on our church campus. We have pockets of hospitality now and we seek to expand and be more intentional in every aspect of Shalimar UMC life. One plan would call for new hospitality teams to form for each of our five worship services. Ideas are still flowing on this idea of bolstering hospitality. Perhaps you have ideas or are willing to help! We welcome our congregation's full participation as we plan this ministry of **HOSPITALITY**! Everyone has a role in hospitality and offering a warm Shalimar UMC welcome!

Fifth, we seek to be open to the planning of **GROWING RESOURCES** for the upcoming opportunities of Shalimar UMC. God always has provision for His vision. We know our Master Planning Team, Finance Team, and Stewardship Team are identifying plans that will require resources. We seek to work with our church in developing resources and living with faith stewardship for future development and growth.

Continued

Sixth, we seek to work in step with the MASTER'S PLANNING COMMITTEE and help implement whatever work emerges. As master planning proceeds, this will obviously impact the work of staff. We want to offer ourselves as a staff to help make this master planning season the most fruitful in the history of Shalimar UMC! Notice an apostrophe and "S" has been added to the team...The MASTER'S PLAN. I really like the idea from Basil Bethea!

Let us all be in prayer for these priorities! Perhaps you can help in one of these areas. Our work is only good when we partner with the laity and move into the future trusting God!

Shalom,

Philip

## Pastor Appreciation Month

During the month of October, Shalimar UMC will be expressing our gratitude and extending our appreciation to our Pastors. We at SUMC are blessed with outstanding Pastors and we want them to know how much we love them. There is a basket in the foyer of the FLC for you to drop cards, notes of appreciation, or gift cards.

A graphic with a warm, orange and yellow background featuring a repeating geometric pattern. It contains four portrait photos of pastors: a man in a light green shirt (top left), a woman with dark curly hair in a black top (top right), a man in a white shirt (bottom left), and a man in a light blue shirt (bottom right). The central text reads: "— WE —" in a simple font, followed by "Appreciate You" in a large, elegant script font, and "PASTOR" in a bold, blocky font with a double underline.

*Appreciate You*

# This Week's Guide for Groups & Individuals

In John 14:12-14, Jesus tells his disciples that if they believe in him, they can do the same works he has been doing, even greater things than he has done. Think about that for a moment. Jesus fed the 5,000+ from one person's daily portion of food; he raised Lazarus from the dead; and he cast out demons. How could we do these things or better?

In our passage this week, Jesus explains how, through his image of the vine and the branches. This was once again another familiar image in Jewish culture. The grapevine was the image often used for Israel. Yet, Jesus is not focused on the grapes, or even the vine. He's focused on the branch and abiding in him. Only when we abide in Jesus can we stay healthy and strong. We must keep our eyes on what feeds us and gives us our lifeforce.

Questions to Ponder:

1. When was a time you felt near to God but far away from God's presence?\*
2. Is it possible to be surrounded by symbols and reminders of Christian faith and still feel disconnected from God? Where does the disconnect originate?\*\*\*
3. What does it mean to you to "cling to the vine"? Have you ever placed more focus on being fruitful than being faithful?\*
4. Name some prayer practices or experiences that encourage you to abide in Christ. How does being connected to the vine help you produce good fruit?\*\*\*

## Brothers and Sisters, What Shall We Do?

In the second chapter of Acts, after the Pentecost event, Peter addressed the crowd with one of the best sermons in the history of Christianity, leading over three thousand people to be baptized. According to scripture, they asked a simple question: “Brothers and sisters, what shall we do?” (Acts 2:37).

I wish I had a sermon that could evoke such a response, but the question is one we ask all the time. Now that we know the reality of the situation, what shall we do? After all the violence and natural disasters we have seen in recent weeks, what is the best way to respond?

The United Methodist Church has published a good article about responding to the jarring violence that rocked Las Vegas, Nevada. You can find it at [www.umc.org](http://www.umc.org). On the home page, click on “You did it for me: Serving others in times of tragedy.” Currently, the Red Cross is the primary agency for helping in that tragedy. Amazingly, they are not asking for any more blood donations for Las Vegas after the response they have already gotten. In days to come, we can expect there will be programs to help adults and children deal with the grief of loss and the post-traumatic stress in its aftermath.

As for hurricane relief, there are teams now forming to go into Florida, Texas, and Louisiana. We can expect teams to go into Puerto Rico soon. The best way to be prepared to help on the site is to be certified through the United Methodist Volunteers in Mission (UMVIM). For more information visit [www.umvim.org](http://www.umvim.org).

Money is always helpful. All of our existing structures for responding to emergencies can use money for immediate purchases. In the United Methodist Church, we have special offerings, called Advances, which you can use to direct your giving however you like. Simply write a check to Shalimar UMC, and on the memo line, list the Advance by number:

- UMCOR—Put UMCOR in the memo line if you want to support domestic disaster relief and the general budget of the United Methodist Committee on Relief.
- Advance 901670—US Disaster response. This includes hurricane relief in Texas, Louisiana, Puerto Rico, and US Virgin Islands.
- Advance 982450—International Disaster Response. This includes other non-US entities in the Caribbean.
- Advance 901440—Relief Supplies. This money is used to bring flood buckets, health kits, and other supplies to stricken areas.

Continued

- Cuba Hurricane Relief–UMCOR is currently working on a long term plan to help in Cuba, but mechanisms for cash flow are not worked out yet. Meanwhile, our Cuba mission team is partnering with other Methodist churches to bring money into Cuba as they bring their teams in. This money is given directly to the Methodist bishop in Cuba. He is working on immediate relief as well as long term plans with UMCOR. Simply put “Cuba Hurricane Relief” in the memo line.

God bless you all for your hearts of compassion. There is no better time than today to be the hearts and hands of Jesus.

**HELP!!!!**

Cuba was severely impacted by Hurricane Irma. Our Methodist Brothers and Sisters have no Government support like FEMA to help them rebuild; there is no support in Cuba; and they patiently wait for God to provide. We are asking for any donation you feel comfortable in donating! 100% will go to the good of the Methodist Church in Cuba.

Please make you checks out to **SUMC** and in the MEMO line enter **Cuban Hurricane Relief**

## Cold Weather Shelter

Once again our church will be taking part in the shelter program for our Homeless People in the FWB area. Our team provides a hot meal and supervision for the Saturday overnight stay when the temperature is predicted to go below 40. This year the shelter will be

housed at One Hopeful Place, which is located at the very end of the Beal Parkway Extension. We will prepare food at our church or in our homes and transport it there. If you are interested in being part of this team, please contact Bill Dubose, 357-2650 or wldubose@yahoo.com. We have 3 shifts of workers each evening to make it easy for all. You may be called on only one time or maybe several. Please consider being a part of a ministry for the lonely, hurting, and poor. For more info please feel free to call the number above.

Thanks & God bless, Bill Dubose

## Mexico Mission Trip Opportunity

Casa Hogar Elim is a privately run orphanage in Nuevo Laredo, Mexico that currently houses and cares for over 100 children. Each year we have a team that goes to serve the children at the Orphanage from December 27, 2017 - Jan. 1, 2018. We provide gifts, have a fiesta, do some light construction/repair work, and build relationships with the kids. This is a family trip. Children must be at least 10 years old to participate, and anyone under age 18 must be accompanied by an adult. Each family will be responsible for their own transportation. Families typically carpool.
