REVIVAL IS HERE

Luke 4: 1-2, 14-15

The Beacon January 20 & 21, 2018

Welcome to Shalimar UMC

We are so glad you've chosen to worship with us this week! Hearing assistance devices are available for the Sanctuary. Please see an usher to obtain these aids.

Enjoy fellowship, coffee, and snacks in the Family Life Center Gym between worship services.

Our Vision

Christ-centered, multigenerational, family and community relevant ministries through worship, discipleship, and mission.

Our Mission

REACH, TEACH, and SEND

We **REACH** out to our congregation, community, and the world to **TEACH** the word of God as provided in the Holy Scripture, and **SEND** our members and missionaries to be witnesses to God's grace and His promise of eternal life to us through the death and resurrection of Jesus Christ.

Worship Services

Break Free

Our Saturday evening service begins at 6:00 pm in the Family Life Center opening with a gathering and fellowship time at 5:30 pm. This transformational service involves modern music, multimedia, and a style of preaching that is practical and participatory.

Traditions

At 8:00 and 11:00 am Sunday mornings in the Sanctuary we celebrate through the rich traditions of our faith such as hymns led by organ and piano, seasonal vestments, and traditional Methodist liturgy. Our Chancel Choir leads the 11:00 service.

Connect

At 9:30 Sunday mornings in the Sanctuary we engage in a four-fold service of gathering praise, service of the Word, Holy Communion with candle stations for prayer, and sending forth. The music is a blend of contemporary praise songs and upbeat hymns.

Freedom

At 11:07 Sunday mornings in the Family Life Center Gym we worship through modern music, multimedia, and a teaching style message in a non-traditional atmosphere. We come to God as we are to experience the freedom of not having to stay that way.

Philip's Focus

Thank you Volunteers!

The last four weeks have been an amazing month of worship at Shalimar United Methodist Church. We hosted 9 worship services on Christmas Eve weekend. We entered the New Year with 21 days of worship planned each day for our congregation. All in all, when we gather for worship this Sunday we would have hosted 41 worship services in 30 days. Amazing! Even more amazing is the spirit of so many wonderful volunteers making these services possible. Many who have served early in the morning and late at night I would like to thank them.

- Thank you to all those wonderful volunteers for our children's worship service Christmas Eve!
- Thank you for all those volunteers for our traditional services for Christmas Eve!
- Thank you for all those who volunteered for the late Christmas Eve 11:07 pm service!
- Thank you for all those who have been so indispensable in volunteering for our Awakening services. Imagine waking at 4:00 am to sing, help with AV, bring coffee and special tasks!
- Thank you to all those who shared their testimony during the 21 days. Our congregation has been inspired and your words continue to inspire!
- Thank you for all our worship team that does so much in our normal Saturday and Sunday services. It takes an army of volunteers and we thank you! Our shuttle drivers have even braved the cold!
- 41 worship services in 30 days! Thank you all who helped in any way!

Thank you to the other pastors on staff! Brad found another gear in worship planning and Ben Savage also made so much happen. Brian preached our late Christmas Eve service when our plans did not go as expected. Faith has been contributing greatly this month with extra worship planning and social media. Pat Brantley who has been indispensable in a new worship assistant role. We are so grateful to Darla and her planning events for our whole campus. Julie is fabulous with all of our printed programs and web site. Dawn and Jen have jumped in quickly with our children's ministry leadership. Jonathan Lefler while leaving has been productive too. We had over 300 students on campus last Sunday Night. Our whole staff is amazing! We have such great administrative support and custodial support for each worship service.

Thank you staff for your diligence in making so much happen in such a short time. All in all, over 6000 people have entered worship in the last month through the doors of Shalimar United Methodist Church. We have proclaimed the good news! To God be the glory! What an incredible way to begin the New Year!

Bible 101—Getting to Know the Word

Have you decided to read the Bible more this year, but the thought of it scares you? Have you read the Bible to find answers, only to be more confused than when you started? Does the thought of discussing the Bible with others whose opinions differ from yours make you sweat? Are there things about the Bible that concern you, like God's judgment and wrath and violence? We feel your pain.

We all know that discipleship means reading the Bible and letting it shape you. Many well-meaning Christians are reluctant, however, because they are afraid of some parts of the Bible and what it may require of them. They either shy away from serious reflection on the Bible or they pick and choose scriptures that reinforce what they already believe. Bible 101 is an opportunity to get a basic understanding of the nature and content of the Bible and to learn how to read the Bible to discern the voice of God. It is not a course-to-end-all-courses, but a launching pad for a lifetime of enjoyment and growth from reading the Bible.

Bible 101 is open to everyone, from novice to lifelong learner. Come join us!

Join the Discussion: "Doing Good Well"

Or, How to "Do Good" helping those in need without "Doing Them Harm"

How can Shalimar UMC transform and increase the connection it has to our community through its outreach and service projects in a way that creates independent, self-supporting individuals and families freed from a dependency upon the good intentions and gifts of others?

In this Winter Discussion Topic, led by Lee Jackson, we will explore the results of 30 plus years of experience, setbacks, and successes of developing economically viable communities in Atlanta, GA by Focused Community Strategies (FCS), and how they might be duplicated in Okaloosa County.

Join us Monday, February 5th, 6:00-7:00 pm for this 6-week discussion in the Family life Center.

This Week's Guide for Groups & Individuals

Jesus entered the wilderness after his baptism for 40 days of fasting as a way of preparing himself for the ministry that was to come. He spent time in prayer, aligning himself with God and his life on earth. If Jesus needed to do it, so do we.

Fasting and prayer are not a magical formula for hearing from God. When Jesus went into the desert to isolate himself and spend time with God, he was tempted. At the time when he should have been the closest to God, he received his strongest temptations. He survived those temptations though because he was focused on God's will for his life.

Jesus entered the desert "full of the Holy Spirit" but left being "filled with the power of the Holy Spirit." This may seem repetitive, but the slight change in words here, according to Stovall Weems, emphasizes the difference in the strength and authority to walk in God's will in our lives.

"Fasting and prayer are essential to receiving a clear vision of God's specific path for our lives." -Awakening, Stovall Weems, pp. 195-196

The Holy Spirit is the second most significant gift God could have given us, the first being the sacrifice of Jesus. The Holy Spirit provides us with the power to resist sin in this world, to commune with God, and to know God's will for our lives.

Many times as Methodists, we forget the strength of the Holy Spirit, often overlooking his role in our life. The Holy Spirit is the one that calls us to repent of our sins in the first place, helping us receive God's grace and forgiveness. The Holy Spirit walks with us every day, helping us live a holy and sanctified life. He wants nothing more than to see us become the person God wants us to be.

Thoughts to consider:

1. Where in your life have you been taking the Holy Spirit for granted?
2. How might you call upon the power of the Holy Spirit this week?
3. What are the spiritual gifts that God has given you to help with your assignment in life (1 Corinthians 12)?
4. How do we live today as people who have the Kingdom of God on earth (Matthew 6:9-10)?
5. How did Jesus' fasting and prayer help him walk in the power of the Holy Spirit (Luke 4:1-13)?
6. Following the example of Jesus, what is God calling you to do as your next assignment in your life?

Safe Connections (formerly called Judge Ben Gordon, Jr. Family Visitation Center) enjoys a 21 year relationship with Shalimar United Methodist Church. The Center was located in donated space at SUMC for our first 20 years. Safe Connections is a private non-profit but had its grassroots beginnings as a special project of the 1996 Missions Committee which was formed to address how SUMC could help address a child safety need in our community. The need was then and is now for safe, comfortable space with trained staff and volunteers to provide court ordered supervised visitation and monitored exchange services. These services are provided during times in which crisis and violence have threatened the most basic needs of children.

Often, the Court will order corrective actions for parents and then limit contact with their children until they successfully complete one or more of the following programs: mental health services, parenting classes, batterer's intervention, individual or family counseling, drug and alcohol rehabilitation programs, or upon further court action. The protection of the children is paramount while parents address the various issues that have necessitated family reliance upon Safe Connections.

The work of Safe Connections is at its core an effort to help the suffering and needy among us. I believe that when Jesus said to help "the least of these," he is not just referring to the poor in property, but is also referring to the poor in spirit, the empty hearts, and the vulnerable, afraid and often invisible people. Safe Connections is a local mission that by offering safety, hope, respect, and dignity during crisis, has led countless families to make changes which often include a return to, or newly found, Christian faith.

We don't know all of our family's paths, but I am often stopped by parents attending church at SUMC, and thanked for helping them or a loved one that received our services. Many of our clients find a home at SUMC and many more receive additional services from a Stephen Minister, the Angel Tree, and Children's Programs to name but a few. We work with families presenting a variety of needs and have often sought resources for them through our Shalimar church family for everything from groceries to appliance repair and we've never had to do more than ask. Even though Safe Connections is no longer located on the Shalimar United Methodist Church campus, we deeply value the blessing of being part of SUMC's community outreach mission.

If you would like a rewarding volunteer opportunity or feel led to make an additional donation, please contact Sharon Rogers at 859-420-2629.

CHECK IT OUT !

In many, many ways, our church-wide study of Stovall Weems' book *Awakening* has been truly "awakening." Whether attending early morning worship times, in small groups, hearing from others of their own experiences, being in Sunday Worship, or watching via livestream, this study has affected many in many and various ways.

No matter how you've been affected, challenged, lifted, blessed, convicted, or simply led to "know more," your SUMC Library offers encouragement and help in all ways.

One personal testimony lifted author Max Lucado as a contemporary Christian author whose simple and easily understood words bless any reader. The library dedicates an entire shelf to Lucado's abundant book offerings. Max Lucado's books seem to answer our every question about the faith in words that make pure sense.

Other testimonies during our Awakening series have talked of fasting, prayer life, and how God hears and responds to us when we have "cleared the decks" of life's busyness.

There is no better way to ponder our own spiritual lives than to hear of other believers' journeys. Our current early morning worship gatherings have given us that priceless opportunity via personal testimonies. Even though we are each on our individual walks with our own personal life-experiences; we are ALL ultimately seeking and searching for a closer walk with Christ, aren't we? Destination: Heaven! Let our biography section enlighten your own journey with stories of many others who have walked the walk. Read of the courage, compassion, doubts, questions, and fears that others have taken with them, possibly discovering that we are never "alone" on that path to Jesus!

To help with your particular needs, whether with fasting, praying, or simple and straight forward helps with learning more about the Bible, we have you covered! You see, the whole point of having a church library is to offer as much as we can to help you walk the walk that points to the Cross. Reading faith based-novels, discovering Christian authors, having access to Biblical teachings, reading of others' experiences, having faith-based movies, and children's books at your finger tips, are all available in our Library. Destination: an Awakening!!!

Thank you!

We offer our heartfelt "thanks" to our ministers, Stephen Ministry, and members who made calls, offered prayers, and sent cards after the loss of my husband, Larry Bentley. It lifted our spirits during this difficult time.
