*A Foundation
of Biblical
Teaching*

Welcome to Shalimar UMC

We are so glad you've chosen to worship with us this week! Hearing assistance devices are available for the Sanctuary. Please see an usher to obtain these aids.

Enjoy fellowship, coffee, and snacks in the Family Life Center Gym between worship services.

Our Vision

Christ-centered, multigenerational, family and community relevant ministries through worship, discipleship, and mission.

Our Mission

REACH, TEACH, and SEND

We **REACH** out to our congregation, community, and the world to **TEACH** the word of God as provided in the Holy Scripture, and **SEND** our members and missionaries to be witnesses to God's grace and His promise of eternal life to us through the death and resurrection of Jesus Christ.

Worship Services

Break Free

Our Saturday evening service begins at 6:00 pm in the Family Life Center opening with a gathering and fellowship time at 5:30 pm. This transformational service involves modern music, multimedia, and a style of preaching that is practical and participatory.

Traditions

At 8:00 and 11:00 am Sunday mornings in the Sanctuary we celebrate through the rich traditions of our faith such as hymns led by organ and piano, seasonal vestments, and traditional Methodist liturgy. Our Chancel Choir leads the 11:00 service.

Connect

At 9:30 Sunday mornings in the Sanctuary we engage in a four-fold service of gathering praise, service of the Word, Holy Communion with candle stations for prayer, and sending forth. The music is a blend of contemporary praise songs and upbeat hymns.

Freedom

At 11:07 Sunday mornings in the Family Life Center Gym we worship through modern music, multimedia, and a teaching style message in a non-traditional atmosphere. We come to God as we are to experience the freedom of not having to stay that way.

Philip's Focus

Hurricane Harvey Response and Upcoming Prayer Initiative

Thank you to all of you who have already given to United Methodist Committee on Relief (UMCOR) to help those devastated by Hurricane Harvey. UMCOR is "nimble" and already at work helping with this disaster. One of the strengths of our United Methodist Connection is in times of disaster hundreds of churches can do more than one church can do. We are able to activate so much help so quickly through UMCOR to those in need. We also have staying power. When I helped people in New Orleans following Hurricane Katrina a year after the flooding, they knew I was with the United Methodist Church because one person said..."everyone else had already left!" Our Pastor of Missions, Brian Dale, has an article in this week's Beacon that gives us more information about our support of Texas in this time.

In addition our Bishop, David Graves, has requested every church in our conference take up a special offering this weekend. He has sent out two important messages this week. One is about responding to Hurricane Harvey relief and the second is about an upcoming prayer initiative September 11-15. I would like to invite everyone at Shalimar UMC to add prayer for the Commission on the Way Forward specifically this week. Below is Bishop Graves words...

Shalom,
Philip

Dr. Philip McVay, Lead Pastor
philip@shalimar-umc.org

Friends,

It is hard to believe the news coverage coming out of Texas and the ongoing catastrophic flooding from Hurricane Harvey. My heart breaks as the stories continue to be reported about how lives are changing as a result of this storm. Please join me in praying for the people in Texas and how the United Methodist Church may best respond so that we may be a blessing. **Our conference will respond through the collection of requested items and ERT teams.** If you are part of a team, you may find out more information through **Susan Hunt**.

The most immediate way you can act and respond, in addition to praying, is through financial donations. I am asking each church in the Alabama-West Florida Conference to take a monetary collection in your worship services this weekend. Those collections may be sent to the conference office with "Hurricane Harvey-Texas Disaster Response" in the memo line.

Thank you for making this national tragedy a priority in your local church. I am grateful for each of you and your ministry. Together, we are better through our connection.

About the prayer initiative for Praying our Way Forward...

The denomination-wide "Praying Our Way Forward" initiative launched on New Year's Day 2017 with 75 weeks of focused prayer for The United Methodist Church. Each annual conference will take one week to have intentional prayer for the mission of The United Methodist Church to make disciples of Jesus Christ for the transformation of the world and for the work of the Commission on a Way Forward. The effort began in the North Carolina Conference and will conclude in the West Angola Episcopal area in June 2018. **The Alabama-West Florida Conference's week of prayer will be September 11-15, 2017.**

With Deep Appreciation,
Bishop David Graves
Alabama-West Florida Conference

Sharing & Caring

The first Sunday of each month is food collection time for Sharing & Caring. Collection boxes are in the Narthex and Family Life Center. Please remember to bring your contributions Sunday, Sept. 3rd.

The Prayer Link

Please send your answered prayers by email to prayer@shalimar-umc.org. They will be sent by email to those signed up to receive the Prayer chain email. Please include your name and email address in case you need to be contacted for clarity.

Prayer Room

The Prayer Room is always available for your use. **The code to enter is 4125.** On Sunday mornings, after every service, someone will be in the Prayer Room to pray with you, if you would like. They will not bother you if you would like time to yourself. There are prayer shawls available for your use as well. A Prayer Box and Prayer Cards are available for you to leave a prayer request for the Pastors and/or Prayer Team to pray for you or a situation you would like lifted up. There have been great reports of use for this special place.

Want to help Texas disaster relief? You already are!

If you are like me, you have watched and read the news reports about the historic devastation visited upon southeastern Texas in recent days. Three things come immediately to mind. First, my heart breaks for the millions of people who are in the flood zone, with countless dramas of loss and peril unfolding before our eyes. Second, I marvel that, through the great work of our emergency response people, and learning lessons from our past, the death toll is incredibly low (18 as of this writing). Although even one life lost is too many, we owe a special thanks to all the people in various levels of our government and volunteers, who have kept loss to a minimum. They deserve our undying gratitude.

The third thing that comes to my mind is, how can I help? The answer came immediately: I already am helping. First, I am joining millions of others in prayers to God for mercy and providence. But more than that, we are helping through our giving to the United Methodist Committee on Relief (UMCOR). UMCOR is one of the best relief agencies anywhere, and works in concert with other agencies like Red Cross and FEMA. They are often among the first to arrive and the last to leave when disaster strikes an area. UMCOR is supported by our apportionments (part of your regular giving to the church), and through direct giving to the agency. United Methodists across the country contribute cleaning kits and hygiene kits throughout the year, and they are stored in the Sager Brown warehouse in Louisiana. So we were preparing for the hurricane before the first clouds began to form.

But in the Methodist spirit, we want to do "all the good we can." So what else can we do? Please do not donate any items, like clothing, blankets, or food, until they specifically ask for it. Money is always appreciated and can be readily converted into the resources they need. Simply write a separate check and put UMCOR in the memo line. You can also give on our website and at the kiosk in the FLC lobby.

Apart from prayers and money, they are currently asking for the following items to be used to "muck out" houses that have been flooded, to prepare for refurbishment later.

- Box fans
- 25' heavy-duty 14-gauge extension cords
- 2-gallon garden sprayers
- Flat-billed shovel
- Rakes with 3" tines

If you bring these items to the church, we will arrange to have them delivered to the conference emergency response warehouse. Also, if you or your small group want to donate cleaning kits and hygiene kits, go to www.umcor.org and click on "relief supplies" for instructions.

A quiet ministry spearheaded by a few concerned members of SUMC makes an explosive impact to our Shalimar senior community.

Meals on Wheels supports our senior neighbors to extend their independence and health as they age. The agency was created by a small grant from the local United Way in 1971.

Once a week a team of 2 head to the Elder Services of Okaloosa County where they pick up hot entrees, salads, fruit, bread, milk, and dessert to be packed into individual bags and delivered to the homes of qualified residents in need of support. The area of concern is typically assigned to the Shalimar neighborhoods with a few homes along the way between Cinco Bayou and Shalimar. If you wish to join an uplifting and spirited ministry please contact Nancy O'Brien, 651-3002 or Casey Brennan, 651-6268 to be added to the rotation list.

Troop 529

The Boy Scouts of Troop 529 had a busy summer and are settling back in for the fall. Seven boys from our troop attended the 2017 National Jamboree during a 2-week trip which included touring Washington, DC and white water rafting on the Ocoee River.

On August 14th Troop 529 held a Court of Honor in which 18 boys advanced in rank. Two scouts, Alex Ward and Alex Wright, have attained the highest rank of Eagle this year. Pastor Brian Dale joined the boys as they celebrated the troops 50th anniversary. Fifty-five scouts, many of whom have grown to be community leaders, have attained the rank of Eagle since the troop began.

The troop wishes to thank Shalimar United Methodist as our chartering organization since 1966.
